County Engineering Division Claudia Wade, Chief

Survey Section Jon Scarpa, County Surveyor

STATEMENT OF FINANCIAL RESPONSIBILITY

Please read the following statements outlining your responsibilities regarding the review and approval of your Final Map, Parcel Map, or Record of Survey, and acknowledge with your signature.

State law governs the preparation and review process of Final Maps, Parcel Maps, and Records of Survey. A licensed land surveyor or civil engineer is required for the preparation of these maps using data compiled from a field survey, and to certify the work with their seal and signature. The same state law requires the County Surveyor to examine the surveyor's or engineer's work for technical correctness.

California Government Code Section 66451.2 authorizes cities & counties to charge a fee for the actual cost of review. Sacramento County has implemented this fee in Section 22.20.016 of Sacramento County Code. In submitting the map for review and signing this form you are agreeing to take responsibility for the costs generated by the County to review your map. An initial deposit, ranging from \$500 to \$1,000 depending on the type of map submitted, is to accompany this application. Upon receipt, a unique account will be established in your name. You will receive a monthly statement, and all charges must be paid in full prior to the County Surveyor's approval and filing of your map.

*For <u>Final</u> or <u>Parcel Maps</u> only: if you are the owner of the affected land, or if you are an authorized agent of the owner, please sign below.

I hereby confirm that I understand my financial responsibility for this map. If I sell or option this property, I will disclose the terms of this statement, and if I fail to do so, I will be jointly responsible.
