TRANSPORTATION PERMIT

COUNTY OF SACRAMENTO
827 7TH Street, Room 105, SACRAMENTO, CA. 95814
Phone: (916) 874-6544

CONDITIONS AND RESTRICTIONS

1. Permittee shall at all times give strict attention to the safety and right of the traveling public. Moving shall be done during daylight hours except between the hours of 7:00 and 8:30 A.M. and 4:00 and 6:00 P.M. No moving shall be permitted Saturdays, Sundays, legal holidays, or when visibility is less than a 1,000 feet.
2. All vehicles and loads with length, width or overhang in excess of the legal limit shall carry one of the following signs mounted both on the front and rear of the vehicle or load: Caution - Wide Load Ahead: Caution - Wide Load Following: Caution - Long Load Ahead: Caution - Long Load Following: Caution - Excessive Front Overhang: Caution - Excessive Rear Overhang. One of these signs shall also be mounted on each pilot car, which may be convoying the load. The most appropriate of these signs cautioning the traveling public shall be used. The signs shall be standard 30 inches x 26 inches with black lettering and yellow background.
3. (a) On county roads that are not specifically designated for special pilot car requirements, the following rules concerning pilots shall apply: vehicles and loads exceeding 12 feet but 13 feet in width or less, shall use one pilot car preceding the load on two-lane roads and following on multi-lane roads. Vehicles and loads greater than 13 feet in width shall use two pilot cars on all roads, one preceding and the other following the load.

(b) On County roads designated for special pilot car requirements, vehicles and loads exceeding 10 feet but 11 feet in width or less, shall use pilot car preceding the load. Vehicles and loads greater than 11 feet in width shall use two pilot cars, one preceding the load and the other following the load.
4. When crossing bridges or on roads so narrow that it is impractical to keep the entire vehicle and load to the right of the centerline of pavement or traveled way, one flagman shall be posted behind and one flagman ahead of vehicle to warn and direct approaching traffic. Pilot car drivers are not allowed to direct traffic or Flag traffic. No over-legal weight vehicle shall drive onto any bridge when it is obvious to the driver that to do so his overweight vehicle will occupy the bridge at the same time as another truck or bus.
5. Notwithstanding any listed roads on this permit or on the attachments thereto, no vehicle shall exceed the limits posted for any road or bridge.
6. It is understood and agreed that the permittee will be held responsible for any damage to County roads, bridges or road facilities resulting from the movement of any equipment named on this permit. Contact Traffic Signal Operations at 875-5171 before any move that will affect any Traffic Sign or Traffic Control Device. Failure to comply will result in Encroachment Permit penalties.
7. The Permittee is responsible for all liability for injury to or death of any person or damage to property that may occur through any act or omission of either the permittee or the County of Sacramento. In the event any claim, suit or action is brought against the County of Sacramento, its officers, or employee thereof, by reason of, or in connection with any such act or omission. Permittee shall defend, indemnify, and hold harmless the County, its officers and employees from such claim, suit or action.
8. Any County employee having reason to believe that a vehicle is not safely loaded or that the height, width, length or weight of a vehicle and load is not as stated on the permit may require the driver to stop and submit to an inspection, measurement, or weighing of the same. The employee may require the vehicle to be driven to the nearest scale facility for this purpose.
9. Under this permit, no trees shall be cut, trimmed, used for attaching cables or in any way disturbed unless specifically authorized by a separate Encroachment Permit.
10. Single trip permits require notification by the permittee to the County Construction Management and Inspection Division office at 875-2707 before starting the move. House movers shall give notification 72 hours prior to starting the move to both the County and the fire districts in which the building will be moved. Failure to notify will constitute a violation of this permit.
11. Permit is void in all construction zones.
12. Permit may be revoked at any at the discretion of the Agency Administrator of Public Works.
